DEAR PARTICIPANT,

We would like to invite you to the international conference "VVER 2016 - Power Uprates, Long Term Operation and New Builds", organized by the Česká nukleární společnost (Czech Nuclear Society) in cooperation with ÚJV Řež, a. s. <http://www.ujv.cz/en/>, ČSVTS and AF POWER agency a. s., under the auspices of the European Nuclear Society. Our meeting this year will be held in Prague, at Diplomat Hotel, from October 31 to November 2.

The VVER conferences have been held in Prague since 2000. This year's conference is already the sixth in a row, and it builds on the previous successful meetings of experts from nuclear power plants with VVER reactors, representatives of regulatory bodies and authors of energy strategies, designers, suppliers of fuel, maintenance and other services for blocks in operation.

This conference aims to become a forum for exchange of information on safety, reliability and economic competitiveness of nuclear power plants with VVER reactors and for exchange of knowledge about the latest trends in the area, and also a forum for discussion of not only the designers, manufacturers and suppliers of nuclear power plant equipment and other service suppliers for power plants with VVER reactors, but also for the representatives of research and development, regulatory bodies and also

We look forward to meeting you.

Daneš Burket
President of ČNS (Czech Nuclear Society)

Jan Mládek,
Minister, Ministry of Industry and Trade CR

TRANSLATION:

Dear Mr President,
By a letter dated March 29, 2016 you turned to me with a request to take patronage of the international conference "VVER 2016 - Power Upgrades, Long Term Operation and New Builds" which will be held from October 30, 2016 to November 2, 2016 in the Diplomat hotel in Prague. I am pleased to announce that I have decided to grant to this conference the auspices of the Ministry of Industry and Trade. My participation in this event will be dealt separately in accordance with my current work program. Let me conclude this with a wish to have many satisfied participants during the whole event.

Kind Regards,

Jan Mládek, Minister, Ministry of Industry and Trade CR
